1. On balance it was a good venue but my minor grumble is that as you share toilets with general museum visitors it was not hugely clean and I think it would have been really busy had the conference been in the summer. Tue, Mar 2, 2010 2:50 PM [Find...](#)
2. I wonder if the museum could have stayed open late to allow the attendees a chance to look at some of the exhibits. It was a wonderful venue, but I did not see any exhibits. Or, if the meeting could run longer and have a 1 to 2 hour break during the day, so that attendees could view one or more exhibits. Just a thought. it was a wonderful meeting! Mon, Mar 1, 2010 3:05 PM [Find...](#)
3. OK, except that we got kicked out of the Natural History Museum promptly at 6 pm and had nowhere planned from 6-7 pm on 23 Feb. Fri, Feb 26, 2010 5:14 PM [Find...](#)
